

HALLOW NDP STEERING GROUP MEETING
31st JULY, 2018

1. PRESENT: Hazel Kemshall, James Rose, Paul Clarke, Joy Fulcher, Ian Lawrence, Anne Holmes
 2. Previous minutes agreed by email
 3. Declarations of Interest – None
 4. Updates from SG members re ongoing work: Brief report that landscape work progressing.
Brief update on the Appeal meeting attended by some SG members (decision awaited at time of meeting).
 5. Brief discussion of initial resident survey findings from Data Orchard, with results much as expected and aligned to public information events. Narrative report awaited from Data Orchard.
 6. Group reviewed the dates and logistics for the public information events, how the survey findings would be presented, and policy development based on the survey results and other work to date. Theme leaders undertook to develop posters by Sept 3rd for HK to review with Data Orchard. HK to organise leaflet re the events. The following points were noted:
 - be clear about what an NDP can NOT do
 - link policies clearly to resident views and evidence
 - give examples of what a policy might mean in practice
 - enable residents to comment, to agree and disagree
- AOB:
Group discussed MHDC call for sites with closing date in July, and HK agreed to meet with David Clarke to discuss progress on site call and new NPPF Guidance, and implications of SWDP review for Hallow NDP. The Steering Group agreed to continue to progress work as speedily as possible.
