From the pond, follow the new path diagonally across past the green space with a small play area to your left. Cross the road through the gate and follow the old 'Pinch' path between hedges. You pass an information board about 'The Pinch' on your left. At the end of the straight path,\* you come to a T junction. **Point 4 on the Map.** Turn right and follow a winding track back to the Village Green. Feel free to stop at the 'Happy Bench' on the Green.

Turn angled right along the side of the Green and cross the Main Road with care to return to the Village Hall.

\***December 2024** the path on the right is currently blocked. If it is still blocked, turn left at the T junction and then right at the next T junction. Go through a couple of metal gates until you meet a road. Turn right here and towards the end of the road you will see the village green and can continue your walk. (If you would like to visit the old churchyard, turn left on the road)
